

Terry Ryan
CEO, Constellis

Terry Ryan joins Constellis as Chief Executive Officer following his tenure as lead director of Constellis.

Mr. Ryan has over 20 years of successful executive-level experience in the federal technical services market, including past service as CEO of Adroit Systems, VTG and Tenax Aerospace. He also held senior executive positions at SAIC, Mercury Systems and ManTech International, and he has advised past Directors of the CIA and DARPA on advanced technology issues. Mr. Ryan served many years in the federal government as the Director, Intelligence Surveillance and Reconnaissance Systems, Office of Secretary of Defense, Deputy Director, Defense Airborne Reconnaissance Office, and as a professional staff member on the United States Senate and House of Representatives Intelligence oversight committees. Mr. Ryan also served the United States as a Marine Corps infantry commander and intelligence officer.
